

One-Day Seminar: Essential Compliance & Enforcement Insights

Gain insider knowledge from former RCMP Officer, CVSE Officer, NSC Auditor, and Training Officer, **Trevor Nettleton**. This seminar provides practical insights on CVSE enforcement, NSC compliance, legal strategies, and recent regulatory changes—helping you stay compliant and avoid costly mistakes.

What You'll Learn:

- **CVSE & RCMP Enforcement Practices** – Understand CVSE's enforcement strategies and protocols, and learn about the lesser-known legal authorities that RCMP and CVSE officer have.
- **NSC Compliance & Audit Standards** – Learn what auditors look for, how they conduct audits, and how to ensure compliance.
- **Violation Ticket Disputing** – Effective strategies for disputing tickets and handling enforcement actions.
- **Industry Misconceptions & Legal Risks** – Avoid self-incrimination, correct common misunderstandings, and recognize when legislation is misapplied by enforcement officers.
- **Recent Changes to Division 37 Legislation** – Stay up to date on new regulatory requirements.
- **And more...**

What's Included:

- **One entry per attendee** into a draw for a **free one-day NSC compliance assessment** (\$1,500 value).
- A **fully catered lunch**, plus coffee, tea, and refreshments available throughout the day.
- A **detailed PowerPoint presentation** led by Trevor Nettleton, featuring real-world scenarios and best practices.
- A **resource bundle** with essential compliance tools and industry references.
